## SIRIUS ELECTRIC srl

sectores:

[Plastics and Rubber](#) <sup>[4]</sup>

Región:

Lombardia

### Overview:

Sirius Electric is an Italian company operating in the plastic welding sector for more than 25 years. The company manufactures and sells ultrasonic welding machines, hot plate welders, vibration welders and spin welders. Thanks to the use of different types of welding technologies, Sirius Electric can face a variety of challenges related to the assembly of thermoplastic parts.

Production:

Hot-plate welders

Ultrasonic welders

Spin/vibration welders
