Imts - International Manufacturing & Technology Show 2020

IMTS 2020 is the 33rd edition of the premier manufacturing technology show in North America. 2,000 exhibiting companies will occupy 1,3 million net square feet of exhibit space at the McCormick Place complex in Chicago, Illinois. IMTS is held every even-numbered year in Chicago and attracts more than 114,000 buyers and sellers from over 112 countries.

Being one of the world's leading show for capital good technologies and machinery, this year *Machines Italia* a project of the Italian Trade Agency will have representatives at [I](#) ^[9][MTS](#) ^[9] with Italy's [UCIMU-SISTEMI PER PRODURRE](#) ^[10].

Adding to the mix, with IMTS, Italy will have an additional 90+ companies exhibiting either directly or indirectly at the show. Manufacturers will display their equipment in product category pavilions: Metal Cutting: contains everything from machining centers and assembly automation to flexible manufacturing systems and lathes. Tooling & Workholding Systems: features jigs, fixtures, cutting tools of all types and related accessories. Metal Forming & Fabricating/Laser Processes: home to waterjet, plasma-arc and laser systems, welding equipment, heat treating and more. Other pavilions at IMTS include Abrasive Machining /Sawing/Finishing; Controls & CAD -CAM; EDM; Gear Generation; Motion Drive and Automation North America; Machine Components/ Cleaning/ Environmental and Quality Assurance.
