Host 2019

Now in its 41st edition, the show has established itself as the leader in the **Ho.Re.Ca**, food service, retail, mass distribution channel and hotel industries. This is the favourite destination of top players for offering a preview of innovations in technologies in food **equipment**, **food**products (ingredients, semi-prepared items), the world of **coffee** as well as in terms of formats, design and lifestyle. It is also a unique marketplace for doing quality international business with professionals who have been carefully selected and who have high-level purchasing power.

Host is a hub for the Ho.Re.Ca world, a **must-attend** for all professionals who work in the hospitality industry, and a privileged destination to learn about innovations from companies and for understanding the latest market trends.

From 18 to 22 October 2019, Milan will once again become the “capital of professional hospitality.” **14 Pavilions** that bring together manufacturing sectors and common services, making the most of the specific characteristics of each industry and of each and every company to guarantee they make **the absolute most of their investment**.

The program for the 2019 edition is available for download by clicking [here](#) ^[16].

Visitors are guided inside the areas via practical itineraries that optimize the time they have available and make for a better experience. All of this to guarantee the highest level of satisfaction for companies and professionals, and to confirm that Host is the ideal platform for experiences, technologies, quality and innovation from all corners of the world.
