## Glassbuild America 2015

Now in its 13th year, GlassBuild America is the gathering place for the entire glass, window and door industries in North America. Presented by the National Glass Association and the Window & Door Dealers Alliance along with show partners, the American Architectural Manufacturers Association, the Glass Association of North America and the Insulating Glass Manufacturers Alliance, and in conjunction with industry's leading publications - Glass Magazine and Window & Door - GlassBuild America is a comprehensive and united event.

With educational forums and Express Learning sessions, abundant networking opportunities and a trade show floor full of the latest and most innovative glass and fenestration industries' equipment, products, technologies and services, you will walk away from GlassBuild America with knowledge and information to help you build a better business.

Who Exhibits? Italy of course! In the past three years there has been an average of 423 exhibiting companies at GlassBuild America. And this year the [Italian Trade Agency via its Atlanta Office](#) <sup>[10]</sup> and the Italian association, [GIMAV](#) <sup>[11]</sup>, will be in booth #1334, assisting and supporting the 20+ Italian solution providing manufacturers for the industry who will be exhibiting. [Click here](#) <sup>[12]</sup> on the floorplan for the Italian companies participating within the "GIMAV" section. As more exhibitors are added, [click here](#) <sup>[13]</sup> for real time updates on Italian companies participating.

Exhibiting companies cover the broad spectrum of manufacturing, distributing, fabricating, retailing and dealing flat glass and residential windows and doors. In addition, the show floor is home to the Innovative Product Pavilion which showcases cutting-edge technologies and other groundbreaking advances from across the glass

agency [9]

industry, ranging from energy conservation to design innovations and the latest “green” products.
