Pack Expo International 2018

The Italian Trade Agency ICE-Agenzia, and its partner association, [UCIMA](#) ^[16] will be present with two (2) pavilions located within the show featuring 17 Italian firms (featured in the PDF) alongside the approximately seventy companies that are taking part independently. The ITA/UCIMA booth is located in the Upper Lakeside Center Building Booth # [7820](#) ^[17].

As well as providing support to Italian exhibitor companies, the ITA and UCIMA will hand out promotional materials and provide detailed information on upcoming exhibitors in Italy, which are the key Italian shows for North American customers.

Come back to this page regularly for real time updates on what we're doing at this year's show.
