Pharmintech 2019: International Exhibition For The Pharmaceutical, Nutraceutical And Personal Care

PHARMINTECH 2019 is the international exhibition for the pharmaceutical, biotech, nutraceutical and cosmeceutical industries. The 6th Edition of the Show will be held from April 10 to 12 2019 in Bologna. When it comes to pharmaceutical and related industries, excellence in manufacturing is closely related to the standards and know-how of industry suppliers. The most advanced technologies made in Italy as well as the most innovative solutions offered by worldwide manufacturers will be showcased in Bologna next year and will attract industry professionals from all over the world.

In Europe, Italy is second only to Germany in having the largest number of pharmaceutical firms. Many international pharmaceutical companies have production sites in Italy, which report excellent performance in production. For that reason at Pharmintech equipment manufacturers are able to reach the highest quality of buyers and find the solution to their production and packaging needs.
