Packaging Speaks Green

An in-depth international forum on packaging evolution towards emerging sustainability needs. Panel discussions, debates and presentations of case histories, with prestigious institutional opinion leaders and key industry players.

The Forum will cover the following topics and issues:

CONTENTS:

1. Legislation and society - Consumer perception and legislative developments
- 2 . Retailers & Brand Owners - Best practice and lessons learnt
3. Materials and technologies - Sustainable packaging solutions: reduce, reuse, recycle

If you are interested in participating to INTERNATIONAL FORUM ON SUSTAINABLE PACKAGING, pre-order for free your ticket by filling the form link [here](#) ^[12].
