TONELLO

Sectors:

[Textile Machinery](#) [6]

Overview:

Tonello is the global leader of garment finishing technologies that, since 1981, has been contributing to the success that made in Italy has enjoyed all over the world. Thanks to its cutting-edge machines and its one-of-a-kind service, it acts side by side with its customers creating a link between the stylists and the companies working, dyeing and finishing the garments. With more than 8500 machines sold worldwide, Tonello is considered the reference point for the garment finishing industry.
